

Northampton Driving Society, Inc

The management of Springdale Farms, at Northampton Park, Monroe County Parks Department, organized a carriage driving event in June 1987 for entertainment of the general public. On September 17, 1987, a group of 13 people met to organize the drive for the following year. The **Northampton Driving Society** is an outgrowth of that effort.

The **Northampton Driving Society** (NDS) was formed to promote the equine sport of carriage driving. It was started with the novice whip in mind, but strives to reach all members equally.

In addition to hosting the annual show at Northampton Park, the NDS provides educational opportunities for the membership, typically sponsoring seminars each year. It also organizes pleasure drives and other outings for all members.

The NDS is funded primarily by the collection of annual dues and an auction held at our annual dinner meeting in January.

Membership is open to any persons wishing to become a member. Driving or even owning a horse is not necessary to enjoy the benefits of the organization. Simply fill out the application form below and return it with a check. You will be notified of future club events by mail.

Please make your check payable to **Northampton Driving Society (NDS)** and return to:
